Attention EBay Sellers!

Caring Matters Now is a listed charity on EBay. If you are selling items on EBay, you can donate a percentage of your final selling price to CMN. You will also receive a fee credit on your basic insertion and final value fees equal to the percentage you donate every time you list an item for charity. It's simple!

Once you're ready to sell your item, go to the Sell hub and select 'Advanced Sell'. As you're filling out the details, look out for the charity box just below where you set your price. Select "Caring Matters Now" to support and the percentage (10%-100%) of your final selling price that you'd like to donate. Note: The minimum donation is £1 per listing.

A week after your item sells; Mission Fish (eBay's charity partner) will automatically collect the donation from you.
