YOUNG ONES

Welcome to the January edition of the 'Young Ones' newsletter!

Activity Weekend 2015

Firstly, a big thank you to everyone who attended the activity weekend in July. Although the 'weather fairies' were not on our side, lots of fun

was had throughout the weekend by both adults and children. I especially enjoyed our Pitch Perfect party on the Saturday night! ☺ It is great to see the friendships you all have built up with each other and I hope they continue to grow over the coming years! We are currently

looking at planning a different type of residential weekend for our summer 2017 gathering and any ideas you may have would be greatly appreciated so please email your suggestions to me at teenage@caringmattersnow.co.uk.

Teens Big Day Out

In September 2016 Caring Matters Now is organising a special event for our 12-17 year olds at Warner Bros. Studios in London. It is going to be an amazing day that includes a tour around the **Harry Potter Studios**. The event will start at 10am and finish around 3pm.

The event will be funded for those affected by CMN and you will also be able to bring along one guest.

This is a ticketed event and you must book your place by **Friday 15th January 2016** by emailing info@caringmattersnow.co.uk.

I am really excited about attending this event - I hope you are too!!

Caring Matters Now Coffee & Cake Morning

Our annual CMN coffee & cake morning is taking place on Friday 24th & Saturday 25th June 2016. We really want you to get involved by hosting your own coffee & cake morning at home

or in school. It would be great to see as many events as possible taking place. Think of extra activities you could do during your event such as face painting,

raffles, games and craft stalls. Don't forget to take lots of photographs of your event and send them to me.

No matter how big or small your event, it is just great fun to get involved! Speak to your family and friends to see if you can organise the event as a team!

Finally, don't forget to let us know if are taking part in this great fundraising event by registering online at:

Children In Need

In October, we were really pleased to have Children in Need come and film for a second year at our Liverpool support day. It was great exposure for Caring Matters Now and it was really good to see so many families at the support day taking part in interviews and activities for the show.

Thank you so much to everyone who made the journey to attend! You have all helped raise even more awareness for CMN. Well done!!
