

BODY MAP DOCUMENTATION FOR BIRTHMARKS

First Name(s): Surname: Date of Birth:

Sex: M / F NHS No: GP:

Draw and label on body map below of birthmark location(s)

Notes:

NOTE FOR MEDICAL PROFESSIONAL:

A brain MRI is recommended for every child born with multiple CMN (more than one at the time of birth, any size or site) to determine the presence of any internal pigment in the brain or nervous system. In case of multiple CMN, please refer to: Prof. Veronica Kinzler, CMN Clinic, Paediatric Dermatology Department, Great Ormond Street Hospital, London, WC1N 3JH

Top copy (white): remain in PCHR 2nd copy (pink): Dermatologist 3rd copy (yellow): GP 4th copy (blue): Health Visitor
